

## A Quick Index to the Campus Construction/Life-Safety Handbook

	<u>Section</u>	<u>Article(s)</u>
<b>Authority Having Jurisdiction (AHJ)</b>		
• To Identify the AHJ for a Project	1	1.1
• Written Review Comments to Project Manager	1	1.2
• Sign-off of Contract Documents by AHJs	1	1.6
• Review/Approval of Changes During Construction	1	1.7
• AHJ for Fire Detection and Alarms	1	2.2
	5	3.5
• AHJs Responsibilities for Evaluation of the Code Review	3	4.1
• Time Allowed for Design Review and Review Comments	5	1.3 & 1.4
• Review of Documents for Permit Issuance	5	2.3
• Stop Work Authorization	5	3.6.4
• Certificate of Occupancy Requirements and Authorization	5	4.2-4.5
<b>Code Compliance</b>		
• General Information about Code Requirement and Implementation	1	1.4, 1.5, 1.8, 1.11, 1.12
• Complementation by UCB Standards	1	5.1
• Appropriate Timing for the Code Review Process	3	3.1
• Location of the Code Review in Architectural Drawings	3	5.1
• Code Review Guidelines	3	PART 6
• Code Review Checklist	3	PART 7
• Stop-Work Policy	5	3.6.2
<b>Fire Suppression/Detection and Alarms</b>		
• Responsibilities and Authorities:		
Design-phase Documents and Drawings for Fire Detection & Alarms (FD & A)	1	1.1.5
Materials and Shop Drawings for FD & A	1	2.2
Construction Inspection of FD & A systems	5	3.5
• General Guidelines for FD & A	1	1.1.6
• AHJs Responsible for Testing, Maintenance and Repair	1	3.1 & 3.2
• Sprinkler Requirements	1	1.14
• Selection Process for Consultants and Contractors	1	4.1
• Fire Suppression System Shop Drawings Requirements	2	3.1 – 3.5
• Code Review Checklist for Fire Suppression Systems	3	7.7
• Code Review Checklist for FD & A	3	7.8
<b>Appeals</b>		
• Appeal Information	1	1.10
<b>Work Order Questionnaire</b>		
• General Information (Initiation/Review)	1	6.1
• Requirements for Non-Capital Construction	5	1.1.1
• Work Order Questionnaire Form		APPENDIX
<b>Testing, Maintenance and Repair</b>		
• Departments Responsible for Testing of Systems	1	PART 3

## **Project Manager**

- Knowledge and Promotion of UCB Standards 1 5.1
- PM Responsibilities for a Work Order Questionnaire 1 6.1
- Responsibilities for Capital/non-Capital Construction 5 1.1.2
- Permits for Projects Not Requiring a Formal Design-Review Process 5 2.5
- Application for Certificate of Occupancy (CO) and Temporary CO 5 4.9

## **Requirements/Responsibilities for the Design and Design Team**

- Professional Engineer Requirements for the Design 2 2.1
- Requirements for the “Record” Set of Documents 2 2.5
- Review Requirements for Shop Drawings 2 2.6
- Responsibility in Preparing the Code Review 3 2.1
- Code Responsibilities for the Design Team in Contract Documents 4 1.1

## **Requirements/Responsibilities for Projects Involving Fire Protection Systems (FPS)**

- Required Engineer Experience and Qualifications 2 2.2
- Membership in the Society of Fire Protection Engineers 2 2.3
- Guidelines for Hiring a Sub-Consultant for the Design of FPS 2 2.4
- Engineer’s Responsibilities in Contract Documents for the FPS 2 2.8
- Signature/Stamp Requirements for FPS Shop Drawings 2 3.1 – 3.5

## **Limitations on Reviews by University Employees**

- Review Limitations for SD, DD and CD 4 2.1
- Review Limitations for Shop Drawings 4 2.1

## **Plans review for Capital/non-Capital Construction**

- Review Process for Non-Capital Construction 5 1.1 & chart 5-1.1
- Review Process for Capital Construction 5 1.1 & 1.2

## **Permits, Inspections, Stop Work policy and Certificate of Occupancy (CO)**

- Permit Requirements for Construction 5 PART 2
- Exemptions for Permits 5 2.1
- Description of the Permitting Process 5 Chart 5-2.1
- Permit Issuance by AHJs 5 2.3
- Inspection Cards Issuance and Posting 5 2.4
- Description of the Inspection Process 5 Chart 5-3.1
- Parties Responsible for Construction Inspection 5 3.4
- AHJs Responsible for Inspection of Fire Alarm and Detection 5 3.5
- Description of the Stop-Work Policy 5 3.6
- Buildings that Require a CO 5 4.2
- Occupancy of a Building Without a CO 5 4.3
- Information Required for CO by Contract Administrator 5 4.4
- Issuance of a Temporary CO 5 4.5
- CO Revocation by Contract Administrator 5 4.6
